**Subject:** Your Veteran Owned Small Business has been verified by the CVE!

Congratulations!

Your application to have your business verified in accordance with PL 109-461 has been approved by the Center for Veterans Enterprise. Your registration in the Vetbiz Registry now displays the "Verified" logo. In the coming days, you should expect to receive a package in US Postal Mail containing a lapel pin and a letter. The letter will tell you how to access the "Verified" logo for your marketing material.

"Verified" means that the owner(s) have applied to CVE using VA Form 0877 and that CVE has verified the veteran or service-disabled veteran status of the owner(s), and that the owner(s) own and control the small business.

More information can be found at <http://www.vetbiz.gov/vip/verify.htm>
